

1988 yılında kurulan Bulut Makine bugün 10.000m2 fabrikasında modern teknoloji ile üretimine devam etmektedir. Fermator otomatik kapıları ve GMV hidrolik ünitelerinin Türkiye distribütörlüğünü uzun zamandır sürdürmektedir. Bunlara ilave olarak 2010 yılında Sicor asansör makinalarının distribütörlüğüne de başlamıştır. Bulut Makina paket asansör ve her tip asansör malzemesi satışında yurtiçi ve yurtdışında sektördeki öncü firmalardandır.

Bulut Makina asansör sektöründe kalite ve güvenilirliği temsil eder. Üretimde her zaman kaliteli malzeme kullanır. Müşterilerin özel projelerine çözümler bulan uzman mühendis kadrosu ile çalışır. Ürün yelpazesi geniştir. Sattığı her ürünün satış sonrası teknik desteğini verebilecek tecrübeli kadroya sahiptir.

*Bulut Makina established in 1988 as a manufacturer of lift components. Today it is continuing its facilities in its 10.000m2 factory with modern technology. It has been working as the Turkish distributor of Fermator automatic doors and GMV hydraulic units for a long time. Bulut Makina started to distribute SICOR gears in 2010.*

*Bulut Makina is one of the leader companies in Turkey which supply complete lift packages and also all kinds of lift components in both local and international markets. It always uses high quality materials in production. Qualified engineering staff of Bulut Makina supplies special solutions to special projects of the customers. It has a wide range of product spectrum. It has also experienced technical staff who can supply after sales support for any saled product.*
